

# Tomato Varieties

## -Smaller

**Atomic Grape:** Lavender and purple stripes, turning to technicolor olive-green, red, and brown/blue stripes when fully ripe. Elongated, Grape to plum size.

**Black Cherry:** Favorite rich-flavored cherry variety. Deep red, purple dark tones, yields high quantity.

**Everglades Cherry:** Year-round Florida favorite, little sweet cherry type. Ground spreading, branchy highly adapted to our climate.

**Lucky Tiger:** Long grape tomato with green/red stripes. Sweet/tart flavor. Indeterminate.

**Minibel:** Tiny ornamental plants with bite-sized fruit grow only about 1 ft tall and require no staking. Excellent choice for containers.

**Purple Bumblebee:** Little sweet cherries with lime-green and bronzy purple striping. Heat tolerant.

**Sakura:** Compact sweet red cherry tomatoes. More disease resistant. Compact plants. Nematode resistant.

**Sungold:** Another favorite, high yielding, sweet, bright tangerine-orange cherry tomatoes.

**Supersweet100:** Classic sweet red cherry tomato. Productive, bears large clusters.

## -Larger

**Berkeley Tie Dye:** Green with red and yellow stripes, large-fruited slicing variety. Spicy, sweet and tart flavor.

**Betalux:** Determinate, oblate shaped fruit that is great for canning, sauces or paste. Rigid stem habit doesn't require staking or pruning.

**Black Beauty:** World's darkest tomato! Blue-black skin with a deep red meaty flesh. One of the best tasting tomatoes, rich, smooth and savory with earthy tones.

**Blue Beauty:** Productive pink beefsteak tomato with a blue top. Very good flavor.

**Cherokee Purple:** Large dark purple heirloom. Superb, sweet old-time tomato flavor.

**Dark Galaxy:** Galactic beauty with red and orange stripes covered in random speckles, and layered by deep blue. Taste is tangy and sweet, juicy and refreshing.

**Green Zebra:** deep lime-green striped medium/large sized. Flesh is bright green and very rich tasting, sweet with a citrusy kick to it.

**Lucid Gem:** Incredibly sweet and juicy, marbled yellow-red, slicing tomato.

**Peron:** Compact semi-determinate, red canning and slicing tomato. Disease resistant. From Argentina.

**Purple Ball:** More red than purple medium round fruit with very good flavor. Does well in humid areas.

**Purple Russian:** Deep dark red, elongated oval shaped snacking or salad topping tomato.

**Roma:** Determinate. A quality paste red tomato variety with very thick flesh.

**San Marzano:** A heavy producing Italian favorite. Red long, cylindrical fruit is filled with thick, dry flesh and few seeds.
